Joel, Peter, Tom,

Hi. A heads up -- the full body of the PCAST Drinking Water Report will be uploaded to the Web tomorrow (attached). The announcement will be as an attachment to the previously issued blog that accompanied release of the Recommendations and Executive Summary (essentially unchanged bar a couple of minor typo corrections) that was disseminated at the same time as your Drinking Water Action Plan.

MANY thanks for your timely responses and patience with the numerous questions PCAST sent your way.
